Rainforest Remedies

Class room at Arco Iris Farm

Building upon the anterior foundations of Abdominal Therapy as taught by Dr. Rosita Arvigo, this class dives deep into the posterior aspects of ATC's work.

Using the Abdominal Therapy Collective's (ATC) unique Health Story consultation, and working on lower back, hips and sacrum, in conjunction with ATC's anterior sequence, you'll be able to offer a complete and detailed Abdominal Therapy treatment to your clients.

You will:

- ⦿ Already have completed anterior training in Abdominal Therapy based upon the teachings of Dr. Rosita Arvigo.
- ⦿ Review and revise your skills learned during your anterior Abdominal Therapy training.
- ⦿ Share your professional experience so far working with the anterior treatment.
- ⦿ Delve deeper into the structural architecture of the pelvis.
- ⦿ Learn how to perform the posterior aspects of Abdominal Therapy.
- ⦿ Explore specific common pelvic conditions in detail.
- ⦿ On completion you will receive a certificate of attendance.
